## FISCAL ANALYSIS

### ASSUMPTION

Officials from the **Office of the State Courts Administrator** and the **Administrative Hearing Commission** each assume the proposal would not fiscally impact their respective agencies.

Officials from the **Department of Social Services (DOS)** state this bill adds a new subsection to Section 454.475, which pertains to administrative child support orders. This new subsection (454.475.7) authorizes hearing officers to administratively address incorrect and invalid administrative hearing decisions, orders, and proposed orders, better serving parties to a Family Services Division child support case. DOS' Family Support Division assumes the proposal would not have a fiscal impact on their agency.

### FISCAL DESCRIPTION

The proposed legislation appears to have no fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
